

Mobile Remote Deposit Capture Agreement

This Mobile Remote Deposit Capture Agreement (“Agreement”) governs your use of Mezu (NA), Inc. dba Alviere (“Alviere”) and Community Federal Savings Bank, Member FDIC (“Bank”) (both Alviere and Bank, “we”, “us” and “our”) Mobile Remote Deposit Capture Service (“Mobile Remote Deposit Service”). Alviere provides services in conjunction with Bank, which offers the Mobile Remote Deposit Service under this Agreement only in association with one or more Accounts maintained by you at Bank and for which you have signed up and been approved by Alviere for services.

This Agreement is in addition to other agreements between you and Alviere and you and Bank, including, but not limited to the applicable account disclosure agreement(s) and terms and conditions, and our rules and regulations. The definitions of many of the terms in this Agreement are set forth at the end of this Agreement.

Terms and Conditions

Mobile Remote Deposit Service. Subject to the terms, and conditions of this Agreement, we shall provide the Mobile Remote Deposit Service to you, which allows you to make deposits to your Accounts from your Mobile Device/Hardware by capturing or scanning images of permitted Items on your Mobile Device/Hardware and delivering the Images and information required to us or our designated processor (“Processor”) through our Mobile Remote Deposit Service. Accounts eligible for the Mobile Remote Deposit Service meet the following criteria: (1) account types that Alviere and Bank have determined may receive deposits through mobile remote deposit capture; (2) Accounts where you are an account owner; and (3) Accounts where you have signed up and been approved for the Alviere service.

The Mobile Device/Hardware must capture a clear image of the front and the back of each Item to be deposited. After capture of the Images and all other required data and information from each check, you will transmit one or more files (“File”) containing the Images and all other required data and information from or pertaining to all Items to us or our designated Processor via the Mobile Remote Deposit Service. Subject to compliance with the terms, and conditions of this Agreement, we will credit the Account(s) designated by you for the amount of the deposit(s) to which the File(s) pertains on the day of receipt of the File(s) and enter the Images of the Items into the collection process, in accordance with the terms of our then current account agreement applicable to the Account(s) into which the deposit is to be made. You acknowledge and agree that we may change the terms or terminate the Mobile Remote Deposit Service or any related features, products or services at any time without notice or liability to you or any third party, except as required by applicable law. You agree that we shall be the exclusive provider of the Mobile Remote Deposit Service to the Account(s) and that you will not use the same or similar services of any other party for the Account(s).

Hardware and Software. You understand and agree that, at your sole cost and expense, you are responsible for providing your own Mobile Device/Hardware that supports 256-bit encryption to help ensure secure access and functioning of the Mobile Remote Deposit Service. Please refer to the [E-Sign Disclosure and Consent Notice](#) for additional terms, including but not limited to hardware and software use, licensing, indemnification, limitation of liability. To the extent any of the terms and conditions in this Agreement conflict with any other agreements with regard to hardware and software, the terms and conditions in this Agreement shall prevail.

You are responsible for maintaining your device secure and restricted from access by anyone other than yourself to your Account, including the Mobile Remote Deposit Service. We are not responsible for, and you release us from any and all claims or damages resulting from, or related to, any virus or other problems that may be associated with using electronic mail, the Internet, or mobile communications. Neither Bank nor Alviere is responsible for, and you hereby release us from any and all claims or damages resulting from, or related to, defects in or malfunctions of your Mobile Device/Hardware or software, or failures of or interruptions in any Mobile Device/Hardware or Internet services. You agree to monitor your Mobile Device/Hardware and software for viruses using a reliable virus detection product in order to detect and remove viruses.

Items Deposited and Security Interest. You agree that you will only scan or take photos (or Images) and deposit a check(s) as that term is defined in Federal Reserve Board Regulation CC. You agree that the Image of the check that is transmitted to us shall be deemed an “item” within the meaning of Article 4 of the Uniform Commercial Code. You further agree that you will not remotely deposit any prohibited Item, which includes the following (“Prohibited Items”):

- Items previously or concurrently deposited by any means, including remote deposit capture, at Bank or at another financial institution or financial services provider;
- Items drawn, or otherwise issued, by you on any account of yours maintained at another financial institution unless you notify and receive permission from Alviere or Bank prior to submitting the deposit;

You grant us a security interest in all Accounts or other deposits (whether general or special) of yours at Bank, and in all funds in such Accounts or other deposits, to secure your obligations to Bank and Alviere under this Agreement. This security interest will survive termination of this Agreement.

Endorsement Procedures. You agree to restrictively endorse any Item transmitted through the Mobile Remote Deposit Service by adding “**For Mobile Deposit**” in the endorsement section, or by marking the checkbox as a mobile deposit in the endorsement section if provided on the back of the Check, and then **sign** your name as endorsee. You shall (1) endorse each Item to be deposited in accordance with the Endorsement Procedures, (2) scan or take a photo of the front and back of each Item to be deposited and any other required data from each Item and (3) transmit the File containing the images of and all other required data and information from or pertaining to such Item to us or our designated Processor. Remote Deposit Service and (3) immediately notify Alviere or Bank if you have any reason to believe there may have been a breach of security or confidentiality. You understand and agree the Security Procedures are not designed for the detection of errors. Except as otherwise required by applicable law, neither Bank nor Alviere are obligated to detect errors by you or others, even if we take certain actions from time to time to do so.

You can send multiple Files or Items to us or our designated Processor throughout the day, not to exceed the number of Files or Items specified in Exhibit A or the total dollar value of the Files sent by you to us on any day or month specified in Exhibit A. If the total dollar value of the Files sent by you to us on any day or month exceeds the deposit limit, we may, at our option, refuse to accept the Files. You agree not to exceed the deposit limit without first contacting Alviere or Bank and gaining written permission to originate the File. To be eligible for processing on the day transmitted, Files must be received by us no later than the Cut-Off Time specified in Exhibit A and meet our technical requirements. Bank's and Alviere's records shall be evidence of and determinative of whether and when a File has been delivered and received. A File which meets our technical requirements but which is received after the Cut-Off Time will be deemed to be received on the Business Day following the Business Day on which the File is actually received by us.

We reserve the right to change the number of Files that may be transmitted, the dollar limits, the Cut-Off Time and our terms and conditions at any time and in our sole discretion. Except as otherwise required by applicable law, all changes shall be effective immediately. You may contact Alviere or Bank to verify the current number of Files that you may transmit in a day or month, the daily or monthly deposit limit, and the Cut-Off Time.

Maintenance and Destruction of Original Check. You shall stamp or write on the original Item "Processed" after you have deposited the Item in accordance with this Agreement. You must securely store all original Items for a minimum of 45 business days after they have been posted to your Account(s) (such period is the "Retention Period"). During the Retention Period, you shall take appropriate security measures to ensure that: (1) only authorized individuals or personnel shall have access to original Items, (2) the information contained on such Items shall not be disclosed, (3) such Items will not be duplicated or scanned more than one time; and (4) such Items will not be deposited or negotiated in any form. You shall destroy original Items upon the expiration of the Retention Period applicable to such Items. You indemnify Bank and Alviere for, and hold Bank and Alviere harmless from and against, any and all claims, demands, actions, causes of action, losses and damages, of whatever nature or kind, caused directly or indirectly by, arising out of, related to, in connection with or resulting wholly or partially from, the destruction of original Items by you. You will promptly (but in all events within 3 Business Days) provide any retained Item to us as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any Item.

Except as otherwise required by applicable law, we have no obligation to notify you of the rejection of a File or the Images or other information contained therein, and neither Bank nor Alviere shall have any liability to you for the rejection of a File or the Images or other information contained therein or for the failure to notify you of such rejection. Upon receipt of a File submitted by you, Bank and/or Alviere may examine such File and the Images and other information contained therein to ensure that you have complied with this Agreement. If Bank or Alviere determine you have not complied with this Agreement or if errors exist in the Images or other information contained in the File, Bank or Alviere may either reject the File or elect to correct the error and accept and process the corrected File. As a form of correction, your Account may be credited for the full amount of the deposit and we may make any necessary adjustments to the Account to correct the error. If after examination of a File and the Images and other information contained therein, we determine that you have complied with this Agreement and processed and transmitted the File in accordance with this Agreement, the File is balanced and the Images meet the requirements of this Agreement, then we shall accept the File for deposit to your Account. Upon acceptance of the File, we shall electronically notify you of receipt and acceptance of the accepted File for deposit. Notwithstanding the fact that we have accepted a File for deposit, any credit made to your Account shall be, and you shall remain liable to us for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against, Bank and/or Alviere.

Credit and Availability of Funds. Upon acceptance of the File, we shall credit your Account when the Clearance Period is met for the total amount of the corrected File or the accepted File, as applicable. As used herein, "Credit" means that the credit is made to your Account subject to final payment of the Items and subject to the terms of the Agreement. For the purpose of determining availability of funds, we may hold funds for the period of time permitted by applicable law. In general, if an Image of an Item you transmit through the Mobile Remote Deposit Service is received and accepted before the Cut-Off Time on a Business Day we are open, we consider that day to be the day of your deposit. Otherwise, we consider the deposit was made on the next Business Day we are open. Funds deposited using the Mobile Remote Deposit Service will generally be available within four (4) Business Days after the Business Day of your deposit (the "Clearance Period"). We reserve the right to further delay availability of Items submitted through the Mobile Remote Deposit Service at our discretion.

You further agree to comply with, and be bound by, all applicable state or federal laws, rules, regulations, orders, guidelines, operating circulars and pronouncements, affecting checks and drafts, including, but not limited to, all rules and procedural guidelines established by the Board of Governors of the Federal Reserve and the Electronic Check Clearing House Organization ("ECCHO") and any other clearinghouse or other organization in which we are a member or to which rules we have agreed to be bound. You further warrant that no subsequent transferee, including but not limited to Bank, a collecting or returning financial institution, drawer, drawee, payee or endorser, will be asked to pay the original Item from which the Image(s) was created or a duplication (whether paper or electronic, including ACH entries) of the Item(s);
- e) **No Loss.** No subsequent transferees of the Item(s), including but not limited to Bank, a collecting or returning financial institution, drawer, drawee, payee or endorser, shall sustain a loss as the result of the fact that the Image was presented for payment or returned instead of the original Item;

Amendments. We may amend the terms of this Agreement at any time, in our sole discretion, by giving notice to you. If required by this Agreement or by applicable law, notice will be given for the applicable required number of days in advance of each such amendment. Your continued use of the Mobile Remote Deposit Service shall constitute your agreement to such amendments. No amendments requested by you shall be effective unless received, and agreed to in writing by us.

Confirmation: Account Reconciliation. In addition to confirmation notifications within the mobile application at the initial time of a mobile deposit and upon final processing or rejection of the Item, we will provide notice of receipt of a deposit to your Account on the periodic statement, if one is provided, or the transaction detail, which will be available to you on your Account's mobile application. You are responsible for detecting and reporting to us any

discrepancy between your records and the records we provide to you. Except as otherwise required by applicable law, if you do not detect and notify us of such a discrepancy within 30 days of your receipt of any terminal printout, electronically-provided or mailed report or periodic statement (each a "Report"), whichever is received first, then such transactions shall be considered correct, and you shall be precluded from asserting such error or discrepancy against us.
